## **EUROPEAN CLEARINGHOUSE ON HIV/AIDS**

### **LET'S JOIN HANDS AND SHARE OUR BEST PRACTICES!**

The AIDS Action Europe Information Clearinghouse facilitates exchange of best practices and lessons learned and is accessible at our renewed website [www.aidsactioneurope.org](http://www.aidsactioneurope.org)

### **DATABASE OF BEST PRACTICES IN EUROPE**

The AIDS Action Europe information clearinghouse responds to the need to learn about approaches that do and don't work in Europe. Here you will find best practices, experiences and lessons learned on various HIV/AIDS-related topics.

### **MATCH-MAKER**

AIDS Action Europe currently unites over 150 member NGOs in Western and Eastern Europe and in Central Asia. Match-making between these organisations is facilitated through a dedicated members section on our website.

### **JOIN HANDS!**

- Exchange key information and lessons learned with your colleagues
- Create an effective response on both a national and international level
- Minimise situations in which the wheel is being reinvented
- Accelerate the process of exchanging information
- Contribute to innovation
