- Website www.bzga.de/who-conference

Quality Improvement in HIV Prevention

- Government and civil society organisations working in HIV prevention are invited to present their experiences with quality improvement in a **satellite session on 19 July** at the upcoming World AIDS Conference in Vienna
- **Submit a 500-word synopsis of a 10-15 min presentation** to be considered for this unique opportunity to share and learn more about quality in HIV prevention
- Proposals should be submitted by 1. June
- Email proposals to: dkhales@earthlink.net
