

CSF Involvement in Monitoring the Commission Communication and HIV Action Plan Implementation

Presentation and Group Discussions at 13th CSF

Roger Drew, Project Consultant
Brussels, June 2011

Progress to date

- **Communication and Action Plan (Annexes C and D)**
- **Aim – tracking actions and effects; feed into future impact assessment**
- **Framework developed (Annex E) – identifies questions and relevant respondents**
- **Questions developed for each stakeholder (e.g. Annex F)**

Questions for CSF Members

- **1ci – about the CSF**
- **1cii – views on Think Tank**
- **2, 10 – views on aspects of Commission's work**

Questions for CSF Members

- 1ci – about the CSF
- 1cii – views on Think Tank
- 2, 10 – views on aspects of Commission's work

**GROUP WORK IN THIS MEETING TO DISCUSS
QUESTIONS RELATING TO CSF**

Discussion Questions

- In what ways has the Civil Society Forum used the Communication and Action Plan?
- What actions has the Civil Society Forum taken to be involved in planning, implementing and evaluating the response to HIV in the European Union and neighbouring countries?
- What actions has the Civil Society Forum taken to advise the Commission and ThinkTank? How useful have those actions been?
- What effects have these actions had on HIV-related:
 - (a) Political leadership?
 - (b) Policies?
 - (c) Anti-discrimination laws?
- What effects have these actions had on civil society participation in:
 - (a) Policy development?
 - (b) Decision making and coordinating bodies?
 - (c) Implementation?
- What have been the main benefits of the Civil Society Forum?
- How could the Civil Society Forum be improved?
- How has the EC Communication and Action Plan promoted greater civil society participation in responses to HIV in Europe?

Next Steps

- CSF members complete form and return to ECDC by **2nd September**
- Analysis and report back to next CSF and Think Tank
- Annual process
