

# 6<sup>th</sup> Global Fund Replenishment Conference: October 10 2019, Lyon

CSF VIH VH TB Luxembourg June 17 &18 2019

# 6th Global Fund Replenishment conference

- **What has AIDES been doing to mobilise on this ?**
  - Political level
  - General public
  - Key populations
  - Mobilising civil society

# 6th Global Fund Replenishment conference

- **Political and stakeholders**
  - monthly meetings with President's staff & the Ambassador for Global Health (MoFA)
  - meetings with French stakeholders (NGOs, development agencies, private sector,
  - 76 members of the French Parliament, signed on a letter asking Macron to increase the French contribution to the Global Fund, and France's involvement in the global fight against the 3 pandemics
- **General public:**
  - launch of the petition "AIDS: One minute to act" for December 1st (World AIDS Day)
  - launch of the #LookingForEmmanuel media campaign

## Manu where are U ?

- **Objective:** to draw the general public's attention to President Macron's responsibility and role in a successful Global Fund Replenishment Conference
- **Successful campaign** lots of social media uptake, articles in newspapers, interviews on TV and radio broadcasts, etc.

# 6th Global Fund Replenishment conference

- **Key populations**

- Mobilisation on specific dates e.g. 8th march, 17th May, 26th June and Pride month
- Highlighting role of Global fund for these populations

# Drag Queens get involved!

- <https://www.facebook.com/aidesparis/videos/2256872704627783/>
- [Working Girls](#)

# 6th Global Fund Replenishment conference

- **Civil Society**

- strong support from various sectors of civil society (e.g. National Council for AIDS & viral hepatitis statement for increased French contribution)
- COREVIH support
- mobilisation campaigns, e.g. “Ruban Rouge” (Red Ribbon), September
- **Sign on Letters to Decision makers (European and French)**

## What's left to do?

- **Get European countries & MPs on board**
  - worrying signs from traditional big donors for the Global Fund
  - European contribution and the EU Member Countries' contributions will be even more crucial for the future of the Global Fund
  - strong commitment from EU Members is needed on government and civil society sides
