

CSF E-Meeting

15 September 2020

Road Map for the CSF Coordination Team
Elections

Coordination Team

Five organisations were voted into the Coordination Team in 2017:

- AIDS Action Europe (AAE)
- Correlation Network (CN)
- European AIDS Treatment Group (EATG)
- Eurasian Harm Reduction Association (EHRA)
- Global Health Advocates (GHA)

Secretariat:

- Ann-Isabelle von Lingen (EATG)
- Michael Krone (AAE)

funded through an operating grant from the Commission

Eligibility Criteria

- The CSF members are organisations with a focus on HIV, TB and viral hepatitis across the European regions.
- Organisations applying for a position in the Coordination Team have to answer the following four questions:
 - Is your organization able to ‘represent ‘the views/perspectives/issues of the TB community and that across the European region? [Y/N]
 - Is your organisation able to ‘represent ‘the views/perspectives/issues of the HEPATITIS community across the European region? [Y/N]
 - Is your organisation able to ‘represent ‘the views/perspectives/issues of the HIV/AIDS community across the European region? [Y/N]
 - Is your organisation able to offer a capacity of 16 days/year to be spent on the Coordination Team? [Y/N]

Coordination Team Member Profile

- Available 16 days/year on lump sum basis
- Join the CSF coordination team calls
- Join communication with relevant stakeholders
- Attend the Civil Society Forum meetings and facilitate parts of the meetings
- Support the preparation of CSF meetings including agenda development, outreach to speakers, liaising with members taking part and/or presenting
- Facilitate input of CSF into relevant consultation/policy development processes and relevant medical and policy related events
- Implement agreed advocacy initiatives, e.g. letters, statements, outreach
- Coordinate joint initiatives on behalf of the CSF
- Disseminate information relevant to CSF membership
- Inform external stakeholders about and/or on behalf of the CSF?

Voting Procedure

- Every member organisation has one vote.
- The votes will be casted online
- The first HIV, TB and viral hepatitis organisations in the ranking will be chosen as the Coordination Team. Next two organisations with the most votes will complete the Coordination Team.
