

EU4health working group

Last meeting on 16 November

- Advocacy on better integrating HIV, TB, Hep, STIs in EU4Health programme: CSF members letters to MoH and MEPs , input into EU4Health Alliance, ACHIEVE
- Some progress in budget amounts and issues addressed, WG will now monitor negotiations and intervene as needed (see links on next slide)
- WG will work on draft proposed actions for the next annual work programme
- Should a new WG follow EU Health Union proposal negotiations or could the EU4Health also cover that?
